📞 Call **844-940-0025** now for immediate assistance.

What to Do When Your Coinbase Account Is Locked or Under Review

A Coinbase account may be locked due to:

- Security alerts
- Identity verification issues
- Suspicious activity
- Compliance reviews

If you searched:

- *Coinbase account locked how to unlock*
- *Coinbase account under review contact number*
- *Coinbase can't log in need help*
- *Coinbase account frozen what to do*
- *How to recover Coinbase account*
- *Coinbase verification stuck help*

You are likely facing a temporary restriction that can be resolved when handled properly.

📞 Call **844-940-0025** to get guided through the account recovery and verification process.

Why Is My Coinbase Withdrawal Pending or Blocked?

Coinbase may delay or hold withdrawals when:

- Identity checks are incomplete
- There is a security or fraud flag
- A transaction is under blockchain review
- The account is under compliance review

People often search:

- *Coinbase withdrawal pending help*
- *Coinbase can't withdraw funds*
- *Coinbase money stuck need support*
- *Why is Coinbase holding my funds*
- *Coinbase cash out not working*

These issues usually require **manual troubleshooting** to release the funds.

📞 Call **844-940-0025** to speak with a crypto withdrawal support specialist.

Coinbase Fees, Missing Money & Incorrect Balance

If you notice:

- Coinbase charged you twice
- A transaction missing
- Your balance is incorrect
- Unexpected Coinbase fees
- A refund not processed

You may need help tracking blockchain records or reviewing transaction history.

📞 Call **844-940-0025** to get help resolving billing and transaction discrepancies.

What to Do If Your Coinbase Account Was Hacked or Compromised

If you see:

- Unauthorized withdrawals
- Unknown logins
- Missing crypto
- Account changes you didn't make

Searches like:

- *Coinbase hacked what to do*
- *Unauthorized transaction Coinbase help*
- *Coinbase scam recovery*
- *Coinbase fraud support*

mean your account security is at risk and action is urgent.

📞 Call **844-940-0025** immediately to get help securing your crypto and limiting losses.
